

Call for Participation

Join Our Research Study on Improving **Mobile App** Interfaces for **Senior Citizens**!

What is this study about?

- Researchers are testing a novel approach to let software developers create easier-to-use and personalised mobile apps for senior citizens.

Who can participate?

- Anyone over 50 years of age who uses a smart phone.

What does participation involve?

- Join a 1-hour group interview session at a venue convenient for you.
- Examine e-banking app interface examples shown and provide your thoughts on their ease of use and usefulness.
- Each participant will receive a \$30 AUD Coles or Woolworths voucher.
