

CONSENT FORM

Project ID: 42470

Project title: Investigating the usability of a model-driven accessible-adaptive user interface generation approach with Senior Citizens and software developers

Investigators: Professor John Grundy, Dr Kashumi Madampe, Dr Omar Haggag

Student Investigator: Shavindra Wickramathilaka

I have been asked to take part in the Monash University research project specified above. I have read and understood the Explanatory Statement fully, and I hereby consent to participate in this project.

I consent to the following	Yes	No
1. I agree to take part in this study		
2. I confirm that I am a professional software developer with more than 6 months of experience in the Flutter framework.		
3. I understand that I am free to withdraw my participation at any time, and to withdraw any data traceable to me up to 30 days from the date of the participation without giving a reason		
4. I agree with the use of the Otter.ai online service for the preparation of audio transcriptions of the interview session recordings.		
5. I agree that the data I provide in this research may be used by the investigators in future research projects
