MONASH University

CONSENT FORM

Project ID: 42470

Project title: Investigating the usability of a model-driven accessible-adaptive user interface generation approach with Senior Citizens and software developers

Investigators: Professor John Grundy, Dr Kashumi Madampe, Dr Omar Haggag
Student Investigator: Shavindra Wickramathilaka

I have been asked to take part in the Monash University research project specified above. I have read and understood the Explanatory Statement fully, and I hereby consent to participate in this project.

I consent to the following	Yes	No
1. I confirm that I am over 50 years of age		
2. I consent to participate in a 1-hour focus group.		
3. I agree to complete a survey during the focus group session about my background and mobile application usage.		
4. I agree to be audio-recorded during the interview sessions.		
5. I agree with the use of the Otter.ai online service for the preparation of audio transcriptions of the recordings of the focus group session.		
6. I understand that I am free to withdraw my participation at any time and to withdraw any data traceable to me up to 30 days from the date of the participation without giving a reason.		
7. I agree that the data I provide in this research may be used by the investigators in future research projects
